

Stone Ridge Funds

In addition to your 2023 Form 1099-DIV, below is supplemental information to assist you with the preparation of your 2023 income tax returns. Please consult your tax advisor for the specific application of any items below on the preparation of your tax returns.

Income from U.S. Government Obligations

Some states do not tax their residents on income from a mutual fund that is earned from U.S. Government Obligations. The following table shows the percentage of total ordinary income dividends shown in Box 1 of your 2023 Form 1099-DIV that were attributable to interest earned from direct U.S. Government Obligations:

<u>Fund Name</u>	<u>% of Ordinary Income Attributable to Direct U.S. Govt. Obligation (see Box 1)</u>
Stone Ridge Diversified Alternatives Fund	8.17%
Stone Ridge U.S. Hedged Equity Fund	98.26%

Depending on your state's personal income tax laws, you may be entitled to declare the above portion of your 2023 ordinary income dividends (Box 1) as tax-exempt income on your state personal income tax return. However, some states do not allow the "pass through" of this exempt-interest income unless the percentage earned from U.S. Government Obligations exceeds certain thresholds or unless other requirements are met. Please consult your tax adviser or state authorities if you have any questions regarding the percentage of income you can exclude when calculating your state income tax.
